## **(a) Roles and Responsibilities of the Fund Board of Directors**

Responsibilities of the Fund Board Members include without limitation:

- Approving all contracts, decisions and material reports to which the Fund is a party.
- Approving a written policy with regard to the voting rights in respect of Fund assets.
- Supervising and, where appropriate, approving any conflict of interest disclosed by the Fund Manager pursuant to Article (13) of the IFR.
- Holding, twice a year at least, a meeting with the Conformity and Compliance Committee at the Fund Manager, or the officer in charge of Conformity and Compliance at the Fund Manager, in order to review compliance by the Fund with all relevant laws and regulations.
- Recognizing any recommendation raised by the liquidator, in case a liquidator is appointed.
- Ensuring completion and accuracy of the Fund Terms and Conditions and any other document involving disclosures in connection with the Fund and the Fund Manager as well as its management of the Fund and the amended Investment Funds Regulations.
- Ensuring that the Fund Manager is fulfilling its responsibilities in a way realizing the interests of the Unitholders pursuant to the Fund Terms and Conditions, and the amended provisions of the Investment Funds Regulations.
- Working honestly, in good faith, and exerting diligence, skill and care, and in a way realizing the interests of the Unitholders.
- Recording the minutes of meetings showing all the occurrences affecting the meetings and decisions taken by the Board.
- Approving delegating the powers and authorities of the Fund Manager to other financial institutions in order to function as adviser, sub-manager, custodian, agent or mediator after having obtained the approval by CMA.
- Approving the appointment of the Auditor.
- Approving the services authorized by the Manager in respect of keeping the books, subscription, redemption, sale and purchase and financial transfers, confirmation and information affecting the investments in response to the subscribers' inquiries. Assuming the tasks of follow-up and control of the Fund's performance, and ensuring that the Fund Manager carries out its responsibilities in a way realizing the interests of the Unitholders, pursuant to the Terms and Conditions of the Fund, the Information Memorandum, the relevant documentation and the provisions of the Investment Fund Regulations.

## **(b) Particulars of the Fund Board Members' Remuneration**

Remuneration of the Board independent members shall be paid by the Fund. The Fund will pay any expenses of the Fund Board of Directors.

## **(E) Statement of any real or potential conflict of interest between the interests of a Fund board member and those of the Fund:**

- There is no real or potential conflict between the interest of any Board member and the interests of the Fund.
- No Fund Board member may sit on the boards of directors of other funds in the Kingdom of Saudi Arabia.

The Board of Directors of the Fund shall supervise and resolve any conflicts of interest, and shall exercise due care and diligence towards Unitholders, and shall exert utmost effort to appropriately resolve conflicts of interest in good faith. The Fund Manager shall ensure that none of its subordinates is engaged in any business involving a conflict of interest. In the event of any material conflict between the interests of the Fund Manager or the Sub-Manager's interest and the interests of any investment fund managed thereby or another client's account, then the Fund Manager shall disclose this to the Board of Directors as soon as possible.

**(F) All Fund Boards of Directors in which the relevant Board Member participates:**

**Al Yusr SAR Murabaha Fund  
(Managed by SAB Invest)**

**FINANCIAL STATEMENTS AND  
INDEPENDENT AUDITOR'S REPORT**

**FOR THE YEAR ENDED 31 DECEMBER 2024**

**INDEPENDENT AUDITOR'S REPORT  
TO THE UNITHOLDERS OF AL YUSR SAR MURABAHA FUND  
(MANAGED BY SAB INVEST)**

**Opinion**

We have audited the financial statements of Al Yusr SAR Murabaha Fund (the “Fund”) managed by SAB Invest (the “Fund Manager”), which comprise the statement of financial position as at 31 December 2024, and the statement of comprehensive income, statement of changes in net assets attributable to the unitholders and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2024, and its financial performance and its cash flows for the year then ended in accordance with IFRS Accounting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) that is endorsed in the Kingdom of Saudi Arabia that is relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with that code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other matter paragraph**

The financial statements of the Fund for the year ended 31 December 2023, were audited by another auditor who expressed an unmodified opinion on those statements on 17 Ramadan 1445H (corresponding to 27 March 2024).

**Other Information included in the Fund's 2024 Annual Report**

Other information consists of the information included in the Fund's 2024 annual report, other than the financial statements and our auditors' report thereon. The Fund manager is responsible for the other information in the Fund's annual report. The Fund’s 2024 annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information, and we will not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Fund's 2024 annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS Accounting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants, the applicable provisions of the Investment Funds Regulations issued by the Board of the Capital Market Authority, and the Fund’s terms and conditions, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REPORT  
TO THE UNITHOLDERS OF AL YUSR SAR MURABAHA FUND  
(MANAGED BY SAB INVEST) (continued)**

**Responsibilities of Management and Those Charged with Governance for the Financial Statements  
(continued)**

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (i.e. Fund Manager's board of directors) are responsible for overseeing the Fund's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

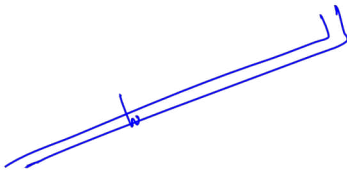

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**INDEPENDENT AUDITOR'S REPORT  
TO THE UNITHOLDERS OF AL YUSR SAR MURABAHA FUND  
(MANAGED BY SAB INVEST) (continued)**

**Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 1 INCORPORATION AND ACTIVITIES

Al Yusr SAR Murabaha Fund (the “Fund”) is an open-ended fund domiciled in Kingdom of Saudi Arabia, created by an agreement between SAB Invest (the “Fund Manager”), a subsidiary of The Saudi Al-Awal Bank (the “Bank”) and investors in the Fund (the “Unitholders”). The address of the Fund Manager is as follows:

SAB Invest, Head Office  
SAB Tower 7383  
King Fahad Branch Rd (Al-Yasmeen District)  
Riyadh 13325  
Kingdom of Saudi Arabia

The objective of the Fund is capital preservation and appreciation by investing mainly in Murabaha deposits.

The Fund has appointed Riyadh Capital Company (the “Custodian”) to act as its custodian and registrar. The custody fees and registration services are paid by the Fund.

The Fund Manager is responsible for the overall management of the Fund's activities. The Fund Manager can also enter into arrangements with other institutions for the provision of investment, custody or other administrative services on behalf of the Fund.

### 2 REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations (the “Regulations”) detailing requirements for all investments funds operating within the Kingdom of Saudi Arabia and published by the Capital Market Authority (the “CMA”) on 3 Dhul Hijja 1427H (corresponding to 24 December 2006). The Regulations were further amended on 12 Rajab 1442H (corresponding to 22 February 2021) (the “Amended Regulations”). The Fund Manager believes that the Amended Regulations was effective since 19 Ramadan 1442H (corresponding to 01 May 2021).

### 3 BASIS OF PREPARATION AND CHANGES TO MATERIAL ACCOUNTING POLICIES

#### 3.1 Statement of compliance

These financial statements have been prepared in accordance IFRS<sup>®</sup> Accounting Standards as issued by the International Accounting Standards Board (“IASB”), as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”) (collectively referred to as “IFRS as endorsed in the KSA”).

#### 3.2 Basis of preparation

These financial statements have been prepared on a historical cost basis, using the accrual basis of accounting except for financial assets held at FVTPL and financial assets held at FVOCI that are measured at fair value. Furthermore, these financial statements are prepared, using the accrual basis of accounting. These financial statements are presented in Saudi Arabian Riyals (“SR”), which is the Fund’s functional currency. All financial information presented has been rounded to the nearest SR.

#### 3.3 Material accounting policies

The following are the material accounting policies applied by the Fund in preparing its financial statements:

##### *Cash and cash equivalents*

Cash and cash equivalents in the statement of financial position comprise cash on hand and short-term deposits in banks that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, with original maturities of three months or less.

Short-term investments that are not held for the purpose of meeting short-term cash commitments and restricted margin accounts are not considered as “cash and cash equivalents”

# AL YUSR SAR MURABAHA FUND

---

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 3. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (continued)

#### 3.3 Material accounting policies (continued)

##### *Cash and cash equivalents (continued)*

For the purpose of the statement of cash flows, cash and cash equivalents includes bank balances and Murabaha placement with banks with original maturity of less than 90 days.

##### *Financial instruments*

###### *(i) Classification*

In accordance with IFRS 9, the Fund classifies its financial assets at initial recognition as amortised cost, fair value through other comprehensive income (“FVOCI”) or fair value through profit or loss (“FVTPL”).

##### Financial assets at amortised cost

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at amortised cost are initially measured at fair value plus incremental direct transaction costs, and subsequently at their amortised cost using the effective interest method.

##### Financial assets at FVOCI

###### Debt Instruments

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and foreign exchange gains and losses are recognised in statement of comprehensive income.

###### Equity instruments

On initial recognition, for an equity investment that is not held for trading, the Fund may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

##### Financial assets at FVTPL

All other financial assets are classified as measured at FVTPL.

In addition, on initial recognition, the Fund may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Fund changes its business model for managing financial assets.

**3. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (continued)**

**3.3 Material accounting policies (continued)**

*Financial instruments (continued)*

*(ii) Business model assessment*

The Fund makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed, and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. In particular, whether management's strategy focuses on earning contractual interest revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realizing cash flows through the sale of the assets.
- how the performance of the portfolio is evaluated and reported to the Fund's management.
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed.
- how managers of the business are compensated- e.g., whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Fund's stated objective for managing the financial assets is achieved and how cash flows are realised.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Fund's original expectations, the Fund does not change the classification of the remaining financial assets held in that business model but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

Financial assets that are held for trading and whose performance is evaluated on a fair value basis are measured at FVTPL because they are neither held to collect contractual cash flows nor held both to collect contractual cash flows and to sell financial asset.

*(iii) Assessment of whether contractual cash flows are solely payments of principal and interest*

For the purposes of this assessment, 'principal' is the fair value of the financial asset on initial recognition. 'Interest' is the consideration for the time value of money, the credit and other basic lending risk associated with the principal amount outstanding during a particular period and other basic lending costs (e.g. liquidity risk and administrative costs), along with profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Fund considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Fund considers:

- contingent events that would change the amount and timing of cash flows;
- leverage features;
- prepayment and extension terms;
- terms that limit the Fund's claim to cash flows from specified assets (e.g. non-recourse asset arrangements); and
- features that modify consideration of the time value of money- e.g. periodical reset of interest rate

# AL YUSR SAR MURABAHA FUND

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 3. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (continued)

#### 3.3 Material accounting policies (continued)

##### *Financial instruments (continued)*

##### *(iv) Classification of financial liabilities*

Upon initial recognition, the Fund classifies its financial liabilities, as measured at amortised cost or as at fair value through profit or loss.

Financial liabilities are measured at amortised cost, unless they are required to be measured at fair value through profit or loss or an entity has opted to measure a liability at fair value through profit or loss as per the requirements of IFRS 9.

All the financial liabilities of the Fund are currently carried at amortised cost.

##### *(v) Derecognition of financial instruments*

##### *Financial assets*

The Fund derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Fund neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in statement of comprehensive income.

Any cumulative gain/loss recognised in OCI in respect of equity investments designated as at FVOCI is not recognised in statement of comprehensive income on derecognition of such securities. Any interest in transferred financial assets that qualify for derecognition that is created or retained by the Fund is recognised as a separate asset or liability.

In transactions in which the Fund neither retains nor transfers substantially all of the risks and rewards of ownership of a financial asset and it retains control over the asset, the Fund continues to recognise the asset to the extent of its continuing involvement, determined by the extent to which it is exposed to changes in the value of the transferred asset.

##### *Financial liabilities*

The Fund derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

##### *(vi) Offsetting of financial instruments*

Financial assets and financial liabilities are offset, and the net amount is reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the asset and settle the liability simultaneously. This is generally not the case with master netting agreements unless one party to the agreement defaults and the related assets and liabilities are presented gross in the statement of financial position.

##### *(vii) Impairment of financial assets*

The Fund assesses on a forward-looking basis the Expected Credit Losses (“ECL”) associated with its financial assets, carried at amortised cost, the ECL is based on a 12-month ECL and lifetime ECL. The 12-month ECL is the portion of lifetime the ECLs that result from default events on a financial instrument that are possible within 12 months after the reporting date. However, when there has been a significant increase in credit risk since origination, the allowance will be based on the lifetime ECL.

# AL YUSR SAR MURABAHA FUND

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 3. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (continued)

#### 3.3 Material accounting policies (continued)

##### *Fair value measurement*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Fund uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This is described, as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in financial statements at fair value on a recurring basis, the Fund determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each year. The Fund determines the policies and procedures for both recurring fair value measurement, and for non-recurring measurement.

At each reporting date, the Fund analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Fund's accounting policies. The Fund also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Fund has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

##### *Trade date accounting*

All regular way purchases and sales of financial assets are recognized / derecognized on the trade date (i.e. the date that the Fund commits to purchase or sell the assets). Regular way purchases or sales are purchases or sales of financial assets that require settlement of assets within the time frame generally established by regulation or convention in the market place.

##### *Provisions*

Provisions are recognised when the Fund has an obligation (legal or constructive) arising from a past event, and the costs to settle the obligation are both probable and can be measured reliably. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, where appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as finance costs.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured.

**AL YUSR SAR MURABAHA FUND**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For the year ended December 2024

---

**3. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (continued)**

**3.3 Material accounting policies (continued)**

**Fair value measurement (continued)**

***Accrued expenses***

Liabilities are recognized for amounts to be paid in the future for services received, whether billed by the suppliers or not. These are initially recognized at fair value and subsequently at amortized cost using the effective interest rate method.

***Redeemable units***

Redeemable units are classified as equity instruments when:

- The redeemable units entitle the Unitholder to a pro rata share of the Fund's net assets in the event of the Fund's liquidation.
- The redeemable units are in the class of instruments that is subordinate to all other classes of instruments.
- All redeemable units in the class of instruments that is subordinate to all other classes of instruments have identical features.
- The redeemable units do not include any contractual obligation to deliver cash or another financial asset other than the Unitholder's rights to a pro rata share of the Fund's net assets.
- The total expected cash flows attributable to the redeemable units over the life of the instrument are based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund over the life of the instrument.

In addition to the redeemable shares having all of the above features, the Fund must have no other financial instrument or contract that has:

- Total cash flows based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund.
- The effect of substantially restricting or fixing the residual return to the redeemable shareholders.

The Fund continuously assesses the classification of the redeemable units. If the redeemable units cease to have all the features, or meet all the conditions set out, to be classified as equity, the Fund will reclassify them as financial liabilities and measure them at fair value at the date of reclassification, with any differences from the previous carrying amount recognised in net assets attributable to the Unitholders. If the redeemable units subsequently have all the features and meet the conditions to be classified as equity, the Fund will reclassify them as equity instruments and measure them at the carrying amount of the liabilities at the date of the reclassification.

The issuance, acquisition and cancellation of redeemable units are accounted for as equity transactions.

No gain or loss is recognised in the statement of comprehensive income on the purchase, issuance or cancellation of the Fund's own equity instruments.

***Net assets value per unit***

The net asset value per unit as disclosed in the statement of financial position is calculated by dividing the net assets of the Fund by the number of units outstanding at year end.

***Management fees***

Fund management fees are recognised on an accrual basis and charged to the statement of comprehensive income. Fund management fees are charged at agreed rates with the Fund Manager and as stated in the Terms and Conditions of the Fund.

***Net gain or loss on financial assets and liabilities at FVTPL***

Net gains or losses on financial assets and liabilities at FVTPL, when applicable, are changes in the fair value of financial assets and liabilities classified or designated upon initial recognition as at FVTPL and exclude commission and dividend income and expenses.

Unrealised gains and losses comprise changes in the fair value of financial instruments for the year and from reversal of the prior year's unrealised gains and losses for financial instruments, which were realised in the reporting year. Realised gains and losses on disposals of financial instruments classified as at FVTPL are calculated using the weighted average cost method. They represent the difference between an instrument's initial carrying amount and disposal amount, or cash payments or receipts made on derivative contracts (excluding

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 3. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (continued)

#### 3.3 Material accounting policies (continued)

*Net gain or loss on financial assets and liabilities at FVTPL (continued)*  
payments or receipts on collateral margin accounts for such instruments).

##### *Dividend income*

Dividend income, when applicable, is recognised in the statement of comprehensive income on the date on which the right to receive the payment for dividend is established. For quoted equity securities, this is usually the ex-dividend date. For unquoted equity securities, this is usually the date on which the shareholders approve the payment of a dividend. Dividend income from equity securities designated as at FVTPL is recognised in the statement of comprehensive income in a separate line item.

##### *Foreign currencies*

Transactions in foreign currencies are translated into SR at the exchange rate at the dates of the transactions. Foreign exchange gains and losses arising from translation are included in profit or loss.

Monetary assets and liabilities denominated in foreign currencies are retranslated into SR at the exchange rate at the reporting date.

Foreign currency differences arising on retranslation are recognised in the statement of comprehensive income as net foreign exchange losses.

##### *Expenses*

Expenses are measured and recognized as expenses on an accrual basis in the year in which they are incurred.

##### *Zakat and income tax*

Zakat and income tax is the obligation of the Unitholders and is not provided for in these financial statements.

#### 3.4 New standards, interpretations and amendments adopted by the Fund

##### 3.4.1 New standards and amendments adopted by the Fund

The following new and amended IFRSs, which became effective for annual periods beginning on or after 1 January 2024, have been adopted in these financial statements.

Standard, interpretation and amendments	Description	Effective date
Amendment to IFRS 16 – Leases on sale and leaseback	These amendments include requirements for sale and leaseback transactions in IFRS 16 to explain how an entity accounts for a sale and leaseback after the date of the transaction. Sale and leaseback transactions where some or all the lease payments are variable lease payments that do not depend on an index or rate are most likely to be impacted.	Annual periods beginning on or after 1 January 2024
Amendments to IAS 7 and IFRS 7 on Supplier finance arrangements	These amendments require disclosures to enhance the transparency of supplier finance arrangements and their effects on a company's liabilities, cash flows and exposure to liquidity risk. The disclosure requirements are the IASB's response to investors' concerns that some companies' supplier finance arrangements are not sufficiently visible, hindering investors' analysis.	Annual periods beginning on or after 1 January 2024
Amendment to IAS 1 – Non-current liabilities with covenants	These amendments clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments also aim to improve information an entity provides related to liabilities subject to these conditions.	Annual periods beginning on or after 1 January 2024

# AL YUSR SAR MURABAHA FUND

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 3. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (continued)

#### 3.4 New standards, interpretations and amendments adopted by the Fund (continued)

##### 3.4.1 New standards and amendments adopted by the Fund (continued)

Standard, interpretation and amendments	Description	Effective date
IFRS S1, 'General requirements for disclosure of sustainability-related financial information'	This standard includes the core framework for the disclosure of material information about sustainability-related risks and opportunities across an entity's value chain.	1 January 2024 subject to endorsement from SOCPA
IFRS S2, 'Climate-related disclosures'	This is the first thematic standard issued that sets out requirements for entities to disclose information about climate-related risks and opportunities.	1 January 2024 subject to endorsement from SOCPA

##### 3.4.2 Standards issued but not yet effective and not early adopted.

Standard, interpretation and amendments	Description	Effective date
Amendment to IAS 21 – Lack of exchangeability	IASB amended IAS 21 to add requirements to help in determining whether a currency is exchangeable into another currency, and the spot exchange rate to use when it is not exchangeable. Amendment set out a framework under which the spot exchange rate at the measurement date could be determined using an observable exchange rate without adjustment or another estimation technique.	Annual periods beginning on or after 1 January 2025
Amendments to IFRS 9 and IFRS 7 - Classification and Measurement of Financial Instruments	IASB amended to the requirements related to: setting financial liabilities using an electronic payment system; assessing contractual cash flow characteristics of financial assets including those with environmental, social and governance (ESG)-linked features.	Annual periods beginning on or after 1 January 2026
Amendments to IFRS 10 and IAS 28 - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Partial gain or loss recognition for transactions between an investor and its associate or joint venture only apply to the gain or loss resulting from the sale or contribution of assets that do not constitute a business as defined in IFRS 3 Business Combinations and the gain or loss resulting from the sale or contribution to an associate or a joint venture of assets that constitute a business as defined in IFRS 3 is recognized in full.	Effective date deferred indefinitely.
IFRS 18, Presentation and Disclosure in Financial Statements	IFRS 18 provides guidance on items in statement of profit or loss classified into five categories: operating; investing; financing; income taxes and discontinued operations. It defines a subset of measures related to an entity's financial performance as 'management-defined performance measures' ('MPMs'). The totals, subtotals and line items presented in the primary financial statements and items disclosed in the notes need to be described in a way that represents the characteristics of the item. It requires foreign exchange differences to be classified in the same category as the income and expenses from the items that resulted in the foreign exchange differences.	Annual periods beginning on or after 1 January 2027

# AL YUSR SAR MURABAHA FUND

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 3. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (continued)

#### 3.4 New standards, interpretations and amendments adopted by the Fund (continued)

##### 3.4.2 Standards issued but not yet effective and not early adopted (continued)

Standard, interpretation and amendments	Description	Effective date
IFRS 19 – Reducing subsidiaries` disclosures	IFRS 19 allows eligible subsidiaries to apply IFRS Accounting Standards with the reduced disclosure requirements of IFRS 19. A subsidiary may choose to apply the new standard in its consolidated, separate or individual financial statements provided that, at the reporting date it does not have public accountability and its parent produces consolidated financial statements under IFRS Accounting Standards.	Annual periods beginning on or after 1 January 2027

### 4. SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Fund's financial statements in conformity with the International Financial Reporting Standards as endorsed in the Kingdom of Saudi Arabia requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the reporting date and the reported amounts of revenue and expenses during the year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Fund makes estimates and assumptions concerning the future. The resulting accounting estimates, by definition, may differ from the related actual results.

Significant areas where management has used estimates, assumptions or exercised judgements are as follows:

#### *Going concern*

The Fund Manager's Board of directors, in conjunction with the Fund Manager made an assessment of the Fund's ability to continue as a going concern and are satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, they are not aware of any material uncertainties that may cast significant doubt upon the Fund's ability to continue as a going concern. Therefore, the financial statements continue to be prepared on the going concern basis.

#### *Allowance for the expected credit losses*

The methodology and assumptions applied by the Fund in estimating the ECL on the Murabaha placements and sukuks are based on using the Moody's rating scales which are then adjusted for country specific data based on where the Murabaha placements and sukuks are, forward looking estimates and macroeconomic variables such as expected GDP growth, to determine the ECL as at the end of the reporting period.

#### *Fair value measurement*

The fair value for financial instruments traded in active markets at the reporting date is based on their quoted price (closing-price), without any deduction for transaction costs.

For all other financial instruments not traded in an active market, the fair value is determined using valuation techniques deemed to be appropriate in the circumstances. Valuation techniques include the market approach (i.e., using recent arm's length market transactions, adjusted as necessary, and reference to the current market value of another instrument that is substantially the same) and the income approach (i.e., discounted cash flow analysis and option pricing models making as much use of available and supportable market data as possible).

Fair value related disclosures for financial instruments that are measured at fair value or where fair values are disclosed are discussed in Note 1.

Balance at the end of the year	<b>620</b>	-
	<hr/> <hr/>	<hr/> <hr/>

The methodology and assumptions applied by the Fund in estimating the ECL on the Murabaha placements are based on using the Moody's rating scales which are then adjusted for country specific data based on where the Murabaha placements are, forward looking estimates and macroeconomic variables such as expected GDP growth, to determine the ECL as at the end of the reporting period.

Financial assets measured at amortised cost are composed of the following:

<u><i>31 December 2024</i></u>	<i>% of Value</i>	<i>Cost SR</i>
<b>Remaining maturity</b>		
<b>Up to 1 month</b>	<b>25%</b>	<b>7,000,000</b>
<b>1-3 months</b>	<b>20%</b>	<b>5,500,000</b>
<b>3-6 months</b>	<b>0%</b>	<b>-</b>
<b>9-12 months</b>	<b>55%</b>	<b>15,000,000</b>

### NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

#### 8 FINANCIAL ASSETS MEASURED AT AMORTISED COST - SUKUK

	<i>31 December 2024 SR</i>	<i>31 December 2023 SR</i>
Debt Securities - Sukuks	<b>2,000,000</b>	2,000,000
Accrued special commission income	<b>8,938</b>	9,425
Expected credit loss	<b>(109)</b>	-
	<hr/> <b>2,008,829</b> <hr/>	<hr/> 2,009,425 <hr/>

The average special commission rate on investments as at the end of December 2024 is 6.99% (31 December 2023: 7.71% p.a.). The above debt securities are redeemable at par.

The movement in the allowance for expected credit losses for debt securities (sukuk) is summarized as follows:

	<i>31 December 2024 SR</i>	<i>31 December 2023 SR</i>
Balance at beginning of the year	-	-
Charge for the year	<b>109</b>	-
	<hr/> <b>109</b> <hr/>	<hr/> - <hr/>

The methodology and assumptions applied by the Fund in estimating the ECL on sukuk placements is based on using the Moody's rating scales which are then adjusted for country specific data based on where the sukuk's underlying assets / projects are, forward looking estimates and macroeconomic variables such as expected GDP growth, to determine the ECL as at the end of the reporting year.

For the year ended 31 December 2024

#### 9 TRANSACTIONS WITH RELATED PARTIES

##### A. *Transactions and balances with Fund Manager and Fund Manager's Board of Directors*

Related parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. In considering each possible related party relationship, attention is directed to the substance of the relationship, not merely the legal form.

Related parties of the Fund comprise SAB Invest (being the Fund Manager, the Fund Board and administrator of the Fund), mutual funds managed by the Fund Manager and The Saudi Awwal Bank ("SAB") (being significant shareholder of the Fund Manager).

In the ordinary course of its activities, the Fund transacts business with Fund Manager and related parties. Related party transactions are governed by limits set by the regulations issued by CMA. All the related party transactions are undertaken at mutually agreed prices and approved by the Fund Manager. These transactions were carried out on the basis of approved terms and conditions of the Fund.

During the year, the Fund entered into the following transactions with related parties in the ordinary course of business:

<i>Related party</i>	<i>Nature of transactions</i>	<i>Amount of transactions</i>		<i>Balance</i>	
		<i>2024</i>	<i>2023</i>	<i>2024</i>	<i>2023</i>
		<i>SR</i>	<i>SR</i>	<i>SR</i>	<i>SR</i>
SAB Invest (Fund Manager)	Fund management fee (including VAT)	<b>226,299</b>	439,215	<b>20,179</b>	24,455
	Admin fee	<b>10,109</b>	12,164	<b>2,685</b>	2,977
	Board member fee	<b>16,706</b>	5,714	<b>13,850</b>	5,714

The Fund pays the Fund Manager a management fee calculated at an annual rate of 0.5% per annum calculated on the net asset value at each valuation date.

The units in issue at 31 December 2024 include nil units held by the employees of the Fund Manager (31 December 2023: nil units).

#### 10 ACCRUED EXPENSES AND OTHER PAYABLES

	<b>31 December 2024 SR</b>	31 December 2023 SR
Accrued fund administrator fees	<b>2,685</b>	2,977

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 11 FAIR VALUES OF FINANCIAL INSTRUMENTS

The fund has investments at fair value through profit & loss which is measured at fair value and are classified within level 2 of the fair value hierarchy. Fair value of investments in Sukuk and Murabaha placements are evaluated by the Fund based on parameters such as commission rates, specific country risk factors, and individual creditworthiness of the counterparties. Management believes that the fair value of all other financial assets and liabilities are classified as amortised cost and at the reporting date approximate their carrying values owing to their short-term tenure and the fact that these are readily liquid. There were no transfers between various levels of fair value hierarchy during the current year or prior year.

# AL YUSR SAR MURABAHA FUND

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

### 13 FINANCIAL RISK MANAGEMENT

#### *Introduction*

The Fund's objective in managing risk is the creation and protection of unitholder's value. Risk is inherent in the Fund's activities, but it is managed through a process of ongoing risk identification, measurement and monitoring, subject to risk limits and other controls. The process of risk management is critical to the Fund's continuing profitability. The Fund is exposed to market risk (which includes foreign currency risk and special commission rate risk), credit risk and liquidity risk arising from the financial instruments it holds.

#### *Risk management framework*

The Fund maintains positions in non-derivative financial instruments in accordance with its investment management strategy. The Fund's investment portfolio comprises of sukuks and Murabaha placements.

The Fund's investment manager has been given discretionary authority to manage the assets in line with the Fund's investment objectives. Compliance with the target asset allocations and the composition of the portfolio are monitored by the Investment Committee of the Fund. In instances where the portfolio has diverged from target asset allocations, the Fund Manager is obliged to take actions to rebalance the portfolio in line with the established targets, within prescribed time limits.

#### *Risk measurement and reporting system*

Monitoring and controlling risks is primarily set up to be performed based on limits established by the Fund Manager's Board of Directors. These limits reflect the business strategy, including the risk that the Fund is willing to accept and the market environment of the Fund. In addition, the Fund monitors and measures the overall risk in relation to the aggregate risk exposure across all risks type and activities.

#### *Risk mitigation*

The Fund's terms and conditions has investment guidelines that set out its overall business strategies, its tolerance for risk and its general risk management philosophy.

#### *Credit risk*

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered with the Fund, resulting in a financial loss to the Fund. The Fund is exposed to credit risk on its cash and cash equivalents, financial assets measured at amortised cost, financial assets measured at FVOCI. The Fund Manager seeks to limit its credit risk by monitoring credit exposure and by dealing with reputed counterparties.

Credit risk is monitored on a regular basis by the Fund Manager to ensure it is in line with the investment guidelines of the Fund Board. The following table shows the Fund's maximum exposure to credit risk for components of the statement of financial position.

	<b>31 December 2024 SR</b>	31 December 2023 SR
Cash and cash equivalents	<b>157,530</b>	11,789,082
Financial assets measured at amortised cost – Sukuk	<b>2,008,829</b>	2,009,425
Financial assets measured at amortized cost – Murabaha	<b>27,812,460</b>	27,531,910
Other receivables	<b>40</b>	-
	<hr/> <b>29,978,859</b> <hr/>	<hr/> 41,330,417 <hr/>

## AL YUSR SAR MURABAHA FUND

### NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

#### 13 FINANCIAL RISK MANAGEMENT (CONTINUED)

##### *Liquidity risk*

Liquidity risk is the risk that the Fund will encounter difficulty in releasing funds to meet commitments associated with financial liabilities that are settled by delivering cash or another financial asset.

The Fund's terms and conditions provide for the terms of subscriptions and redemptions of units and it is, therefore, exposed to the liquidity risk of meeting unitholder redemptions. However, the Fund is allowed to borrow in order to satisfy redemptions. The Fund's investments are considered to be readily realizable. The Fund Manager monitors the liquidity requirements on a regular basis and seeks to ensure that sufficient funds are available to meet any commitments as they arise.

##### *Market risk*

Market risk is the risk that changes in market prices - such as foreign exchange rates, special commission rates and equity prices will affect the Fund's income or the fair value of its holdings in financial instruments.

The Fund's strategy for the management of market risk is driven by the Fund's investment objective as per Fund's terms and conditions. The Fund's market risk is managed on a timely basis by the Fund Manager in accordance with the policies and procedures in place. The Fund's market positions are monitored on a timely basis by the Fund Manager.

##### *Currency risk*

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The Fund management believes that there is minimal risk of significant losses due to exchange rate fluctuation as the majority of monetary assets and liabilities are in currencies linked to the Saudi Riyal.

##### *Special commission rate risk*

Commission rate risk arises from the possibility that the changes in commission rates will affect either the fair values or the future cash flows of financial instruments. The Fund Manager monitors positions daily to ensure maintenance of positions within established gap limits, if any.

#### 14 LAST VALUATION DAY

The last valuation day for the year was 31 December 2024 (31 December 2023).

#### 15 ZAKAT

On 22 March 2024, Minister of Finance's issued its decision No. (1007) approving the new Zakat regulations (ZR), which will be applied to the fiscal years starting on or after 1/1/2024. According to Article Seventy-Six of the new Zakat regulations Funds required to register with the Zakat, Tax, and Customs Authority (ZATCA) before the end of the first fiscal year and mandate Investment Funds to submit a Zakat information declaration to ZATCA within 120 days after the end of their fiscal year, which should include audited financial statements, records of related party transactions, and any other data requested by ZATCA. The Fund is obliged to provide the unit owner with the necessary information to calculate their Zakat liability. Funds are not subject to the collection of Zakat in accordance with the regulations.

#### 16 EVENTS AFTER THE REPORTING DATE

As of the date of approval of these financial statements, there have been no significant subsequent events requiring disclosure to or adjustment in these financial statements.

#### 17 APPROVAL OF THE FINANCIAL STATEMENTS

These financial statements were approved by the Fund's Management on 18 Ramadan 1446H (corresponding to 18 March 2025).
